Student Services

2022-2023 Print/Digital Likeness Permission

Dear Parent/Guardian,

Bay District Schools realizes the importance of student confidentiality. The following permission form provides your son/daughter the right as a student to participate in activities where their image, name or works represent the school, district, or personal accomplishment. Please read this form very carefully. Keep in mind that in this digital age, schools use social media to communicate with parents and to celebrate milestones (awards day, 100th day of school, academic honors etc.). If you do not give social media permission, please know that your child will not be photographed or included in those posts, end-of-year slide shows and school/district-based online celebrations. Note: this permission form must be on file for the current school year.
