

ABCE Proposal #22  
June 8, 2022

6.10 Any teacher may recommend in writing to the School's Problem Solving Team (PST) the testing and evaluation of any student believed to be eligible for Exceptional Student Education Services. The school's PST will meet at least monthly to review the progress of those students in the Response to Intervention Process. Upon the recommendation of the PST, the referral will be forwarded to the district Exceptional Student Education office. Testing will be completed within sixty (60) school days of which the student is in attendance.

The sixty (60) day timeline begins once the following condition has been met:

- Receipt of parental consent for evaluation

Students eligible for special services as determined by the Individualized Educational Planning team and with parent/guardian approval for such initial placement shall be placed in the appropriate program without undue delay.

Prior to the initial placement of a student in a special education class or mainstreamed to a regular education program, a copy of the current Individualized Educational Plan, student health plan with appropriate updates to Focus will be made available to teachers servicing the student.

In the event that legal counsel is present to represent other parties attending the meeting, the Board will immediately upon becoming aware, notify the teacher that legal counsel will be present.
