

## Bay District Schools Drivers Ed Program 2020

### **WHO is Eligible:**

- Any student who is currently enrolled and will be enrolled for the 2020-2021 school year in a Bay District public school or public charter school
- Any student who is at least 15 years old
- Any student who has a valid Florida learner's permit by the first day of class.

Students who meet ALL of the above requirements may register. Students who are registered will be entered into and selected by a random lottery due to limited slots. Entering your application information does not guarantee placement into the drivers education course. Students who complete the summer Drivers Education course and pass the certified driving skills test during the course will have their passing score entered into the DMV system. Students can apply for their operator license without taking the DMV driving skills test after meeting the DMV's other permit requirements.

### **WHEN and WHERE:** All summer sessions are tentative as we await further guidance from FLDOE.
