Q. What is my zoned school?

A. Students are zoned according to their home address. This is the address where student resides at least 51% of the time. You can find your school by visiting our website at <https://focus.bayschools.net/focus/find-my-school/> and entering your address.

A. Once you are in your portal, select the student that you want to apply for School Choice. **(PLEASE NOTE: a new school choice application must be completed for each child.)** Next, select "School Choice Application." Once you are in the application you will see the first section with your name and address info. You **MUST SELECT THREE SCHOOLS**. Even if you only want one particular school, it is necessary to select **THREE**. Otherwise, the system will *not* accept your application.

Q. When will I know and what do I need to do if my student is approved?
