☐ Food/environmental Allergies require:
☐ Insect stings/bees ☐ EpiPen
☐ Medicines/Drugs ☐ Benadryl

Release of Medical Information

I understand and agree that certain educational health related records of my child will be shared with the district's health care partners (which include PanCare of Florida, Inc., & the Department of Health, Bay County) as needed to provide and evaluate health services to students. I also understand and agree that my child's medical treatment records created by the health care personnel at school may be shared with school officials who have a legitimate educational purpose for accessing such treatment records. I further authorize the district's health care partners to contact my child's pediatrician(s) or physician(s) to obtain personal medical information as it pertains to student health services.

I hereby consent to my child's medical information, parental contact information, and other health information (collected from health services provided at school, including information stored electronically) being shared with emergency personnel and health department officials to address conditions of public health importance, including information to meet and to prepare for potential or confirmed health conditions.

Emergency Treatment

The school has my permission to seek emergency medical treatment in case of a serious accident or illness. In case of an accident or illness where immediate treatment of my child is not indicated but where he/she is unable to remain in school, I request that the person(s) listed on FOCUS Parent Portal be contacted and requested to care for my child in the event I cannot be reached. I also authorize the exchange of medical information as necessary to support the continuity of care for my child. In the event of an emergency while on a school sponsored field-trip or event, I give consent to any and all medical treatments and surgical procedures which may be deemed advisable by a qualified physician.

Medical and other information will be disclosed without consent from the parent/eligible student in case of health emergencies, as permissible by FERPA. The school will call for emergency medical care as deemed necessary. Emergency transportation to a health care facility, as determined by paramedics, will be authorized.

☐ **I DO** give consent for Bay District Schools & its contracted partners to bill my insurance/Medicaid for services provided.

☐ **I DO NOT** give consent for Bay District Schools & its contracted partners to bill my insurance/Medicaid for services provided.
