

In the interest of studying salaries and the placement schedule, the District and BESPAs agree to form a committee comprised of one BESPAs nominee from the classifications listed below and one BDS nominee from the classifications listed below. The committee will meet regularly throughout the 2022-2023 school year with the goal of developing some proposals to be considered by the School Board. Every effort will be made to hold committee meetings at mutually convenient times. In the event a BESPAs representative is required to miss work for a meeting a district-funded TDY will be provided.

BESPAs Classifications

General Clerical
Teacher Assistants
Accounting and Finance
Operations
Transportation
Maintenance

BDS Classifications

Operations
Human Resources
Teaching and Learning
